

## **Need for Pastor Personnel**

WHEREAS there is a shortage of pastors in Regular Baptist Churches;  
and

WHEREAS available statistics indicate an even greater crisis in the  
future; and

WHEREAS the effectiveness of world missions revolves around the  
availability and quality of pastors who fill the pulpits of local New  
Testament churches;

BE IT RESOLVED that the messengers of the churches in fellowship  
with the GARBC, meeting in Annual Conference in San Diego, June 23–  
27, 1980, do urge our entire constituency to be prayerfully aware of  
this situation;

BE IT FURTHER RESOLVED that all our pastors intensify their appeal to  
young men to search God's will in regard to a response to God's call to  
be an undershepherd of His blood-purchased flock; and

BE IT FURTHER RESOLVED that all of the members in our churches  
pledge themselves to the task of looking well to the present needs and  
future security of the man sent from God to help them to discover and  
fulfill the design of God for their lives.
